HMIS Client Portal Help Guide

Welcome

Welcome to the HMIS Client Portal. This guide will help you:

- Create your portal account
- Log in to the Client Portal
- Reset your password
- Upload requested documents
- View appointments and referrals
- Contact your care team
- Update your information

Your care team may invite you to use the Client Portal to securely communicate and share information.

Getting Started

Client Portal Website

Portal Link: portal.clarityhs.com

Username

Your username is the email address used by your care team.

Password Requirements

Your password must contain:

- At least 8 characters
- One uppercase letter
- One lowercase letter
- One special character

Multi-Factor Authentication (MFA)

For security purposes, you may receive a verification code by email after entering your password.

1. Enter your username and password
2. Check your email for the verification code
3. Enter the code to complete sign in

Only select **Trusted Device** on a personal device.

Creating Your Portal Account

Your care team will send you an invitation email to access the Client Portal.

Step 2 — Open the Invitation

Open the email and select the portal invitation link.

Step 3 — Accept the Terms

Review and accept the Terms of Service.

Step 4 — Enter Your Information

Complete the required information:

- First Name
- Last Name
- Email Address
- Mobile Number
 - If you do not have a mobile number, enter zeros as instructed by your care team
- Create a secure password

Step 5 — Complete Setup

After submitting your information, your account will be created and you can log in to the Client Portal.

Logging In to the Client Portal

1. Go to: **portal.clarityhs.com**
 2. Enter your email address
 3. Enter your password
 4. Enter your email verification code if prompted
 5. Select **Login**
-

Forgot Your Password?

If you forgot your password, follow these steps:

Reset Password Steps

1. Open the Client Portal login page
2. Select **Forgot Password**
3. Enter your email address
4. Select **Reset Password**
5. Check your email for the reset link
6. Open the reset link
7. Create a new password
8. Log in using your new password

Important

- Use the same email address your care team used when creating your account
 - Check your spam or junk folder if you do not receive the reset email
-

Cannot Log In?

If you are unable to log in, one of the following may be happening:

Possible Issue 1 — Wrong Email Address

You may be using a different email address than the one connected to your portal account.

Tips

- Try another email address you may have used

- Verify the correct email address with your care team

Possible Issue 2 — Your Account Has Not Been Created Yet

Your care team may not have finished creating your portal account.

What To Do

Contact your care team for assistance.

Uploading Documents

Your care team may request documents from you through the Client Portal.

Types of Documents You Can Upload

- Photos
- PDFs
- Screenshots
- Identification documents
- Verification documents

How to Upload Documents

1. Log in to the Client Portal
2. Open the **Documents** section
3. Select the requested document request
4. Upload your file
5. Submit the document

Cannot Upload Documents?

If you do not see an upload request:

- Your care team may not have requested documents yet
- A request must be created before uploads can be submitted

Once documents are requested, a notification bar will appear in the Documents section.
